

Minutes of the Merger Committee Meeting
Monday, November 20, 2006

Chair Mel Adams called the meeting to order at 5:05. Present were Jim Wilson, Frank Plumley, Jay Pedley, and Richard Suitor. Steve Jeffrey joined a few minutes later.

The first item of discussion was expansion of the committee. The committee supported the concept of recruiting four new members, primarily drawn from those who might have reservations about merger or who supported the recent town charter proposal.

The committee is next to consider material from previous merger attempts. Supporting and opposing letters, comments, and flyers will be distributed for study.

Subcommittees will be formed to investigate various problems when the committee next meets at 5 PM on Monday, December 18 at the Municipal Building.

The meeting adjourned at 6:30.

Respectively submitted,
Richard Suitor
Acting clerk
